I want to thank all of our customers for their business and support during these trying times. I hope this finds you and your family well and healthy! Although we are in trying times, we are seeing business improve and we hope you are too.

Greenfield continues to operate with our normal schedule and employees. We are using ever changing and improving protocols to keep our employees safe and healthy at our facility. Many office folks are working from home to reduce contact. This is not the most productive route but we are taking every measure possible to ensure your satisfaction and service.
